Fair Grove Lions Club

"We Serve"

June 2010

Fair Grove B - I - N - G - O!!!

The inaugural Fair Grove BINGO night took place at the Lion's Den on Thursday, May 13, 2010. Ann Jones had the distinction of being our first paying customer and ultimately, we think, a satisfied one who went home with lots of Bingo goodies (and even continued to win after she had to leave and had someone watch her cards for the remainder of the games!) Virtually EVERYONE in attendance won

something and no one left empty handed!

Our "BINGO callers extraordinaire" were Gordon McAdams and Lion President Patricia Carroll. With

it being our first experience and getting our bearings, they did a wonderful job of moving things along so as to not get folks home too late. Lots of other Fair Grove Lions members were on hand to help with concessions sales, checking

cards of Bingo winners, and selling 50/50 and Camp Dogwood tickets. We asked our happy, first-time customers to be sure that they spread the word about FGLC Bingo night and bring their friends and family with them for our next night of Bingo fun for the whole family on Thursday, June 10.

International Lions Convention, June 28 – July 3 Destination Sydney!

Leos, Lions, family and friends,

There's something particularly invigorating about the international convention each year. When Lions from across the globe converge in Sydney, Australia, for the 93rd Lions Clubs International Convention, I hope you'll take this time to reenergize and renew your enthusiasm for Lions. With so many seminars, activities and networking opportunities taking place, it's an exciting time to share ideas and stories.

As we celebrate the end of a successful year with an emphasis on Move to Grow, I encourage you to welcome all the new Lions who are joining us. Take a moment to reflect upon all the successes and milestones you and your club achieved, but also keep an eye towards the future. Use all the benchmarks you've reached to bolster your recruiting efforts as you move forward.

Margit and I had the privilege of traveling around the globe this year to see many outstanding projects Lions are performing to improve their communities. Lions fill the needs of their neighbors each day from building handicap-accessible ramps to providing eye care for someone in need. It's this type of quiet service that should make us all proud to be Lions.

Please visit the Online Convention daily from June 28 through July 2 to view photo highlights, contest results and breaking news throughout convention week. You can also visit the blog to stay connected. Please feel free to share your thoughts, feedback and experiences by signing the Guest Book or submitting a photo.

With cordial regards, Eberhard J. Wirfs
 President, The International Association of Lions
